

# Rapport Hybride Orion

Concordance Excel ↔ Playwright ↔ Xray — Environnement INT2

**Sprint 11 / 12 / 13 — Release v0.2.0 — INT2**

Généré le 2026-08-05T12:47:03.197Z

252 cas de test · 1 bug(s) catalogué(s) · 29 tickets ORI · 206 règles RG

## Synthèse globale

|                     |                              |                              |                             |                     |
